Finally, we would be pleased to introduce you to other members of the Association. Please write a short biography (200 words) to tell us about yourself. In particular, the members like to know when you lived in the north, in what towns you spent most of your time and perhaps who you worked for while there. We would also like to know where you are now and what you are doing. Don't forget your family members; include children's names and others you may have been associated with while in the North.
